

Information for students

Hi Everyone! :)

You will each be doing your own inquiries on a career path or interest you have, which you will display on your own page within this website.

This is a page (with subpages) that is full of info that will assist you to work through this learning.

The info here is generic and can be used by you all. You will also need to find/source information yourselves (which we will help you to do).

[Click here](#) to get to a page on "Reading texts for practical purposes".

[Click here](#) to get to a page with information on "Writing formal personal correspondence".

[Click here](#) to get to a page with information on "Filling in Forms".

[Click here](#) to get to a page on "Listening and Speaking".
